PARISH COUNCIL NOTES

The Annual Meeting of the Parish Council was held on Tuesday 19th May in the Committee Room in the Village Hall.

Election of Chairman and Vice-Chairman of the Parish Council
Tom Flanagan was nominated as Chairman by Lyn Moss and Mike Duce was nominated as Vice-Chairman by Peter Tabbitt. There being no other nominations they were duly re-elected for a further year.

Youth Club

The Parish Council was very pleased to hear that the contractors had finished the conversion work on the ground floor of the Farm House and that the downstairs area of the club would open on 20th May. Mr. Brunning and the Youth Club committee were congratulated on the hard work they have done to enable the Youth Club to function and thanks were expressed to Messrs. Hinchcliffe, Peoples and Warboys, the contractors employed on the conversion work, which was generally agreed to be of a very high standard. The Parish Council wishes the Youth Club every success in its attempt to provide a much-needed facility for the young people of Bar Hill.

Village Green Drainage

The Clerk put forward a comprehensive scheme for the drainage of the Village Green and after discussion the Council agreed to adopt these measures. It is proposed to construct three main drains, dug to a depth of 18", and back fill these with drainage stone. Side trenches leading into the main drains will also be dug. We apologise for the inconvenience these works will cause but it is felt that this temporary disruption will be well justified by the results expected from this extensive new scheme. It is also understood that New Ideal Homes Ltd. will shortly be instituting remedial work on the footpath at the top of the Village Green to prevent the recurrent flooding which takes place at present.

Names for Houses 9 and 10.

After discussion the following short list of names was drawn up:

Drayton Way; Hillcrest; Chestnut Rise; Badger Close;
Elm Avenue.

Two names will be required. Anyone with any comments to make or any suggestions for addition to the list should please ring the Deputy Clerk, Christine Avery on Crafts Hill 81233. A final decision will be made at the June Parish Council meeting.

Rev. Richard Smart

The Chairman and members of the Parish Council wish to express their sincere thanks to Rev. Richard Smart for his help and support and for his ministry to the people of Bar Hill over the past seven years. We wish Richard and Jean every happiness in their new home at Morecambe, Lancashire.

All residents of Bar Hill are welcome to attend the next meeting of the Parish Council, which will be held at 7.30pm on Tuesday 16th June in the Committee Room in the Village Hall

MEALS ON WHEELS SERVICE TO BAR HILL

This very necessary service, organised locally by the Cambridge W.R.V.S. and available to all who need it after a medical or Social Services recommendation, is in dire need of helpers in this village.

Can you spare 20 - 30 minutes between 11.45am and 12.15 midday on Mondays, Wednesdays or Fridays weekly? You will be welcomed if you have a car, a bicycle or a good pair of walking legs. The latter for short journeys mainly.

A car with the hot meals comes from Castle Hill, Cambridge to several villages around Bar Hill. It arrives here, near the Health Centre, at 11.45am and helpers are needed to deliver the meals to individuals around the village. People delivering are required to transfer the meals from their containers on to plates ready heated, hand them to the recipients, receive payment from them and take away the tins for returning on next delivery. Not very difficult.

Though at present there are only two meals to deliver they are a good distance apart and at least one extra helper is needed daily in order to get the meals to the destinations whilst still hot.

If you feel you could help regularly or just sometimes please contact me as soon as possible.

(Miss Lynn Moss (Bar Hill Organiser)

LETTERS TO THE EDITOR

Dear Mr Avery,

After reading about Mrs Craske's tale of woe (being knocked off her bike by a dog) surely she and many others should not ride on the paths, they are as much danger to the small children and the elderly as loose dogs are.

Pauline Kemher
33 Oatlands Avenue

Dear Sir,

I presume from reading Mrs Craske's letter she is refering to the footpaths at the rear of Acorn Ave., you will note that I refer to FOOTpaths. In my opinion far too many people ride their bikes along these footpaths to the considerable danger of children, adults and dogs. I have lost count of the times I have suffered a near miss on footpaths within the village, and am amazed no-one has been knocked down so far. The dog concerned did not belong to me, but I would like to point out that both the dog and his owner were both on foot and on a FOOTPATH, not as far as I am aware, on a cycle-track.

I would be most interested to know what the legal position is if someone riding a bike on a footpath within the village knocks over a child or a dog.

Yours faithfully,
Susan H. Campbell,

The above sum was raised for Dr. Barnardos in Bar Hill during March 1981.

It was a House to House collection and took place in the pouring rain, it never seemed to stop during the whole fortnight allocated for the event.

My thanks go out to all the Ladies who knocked the doors and all those who so generously gave.

I think it was a marvelous effort.

ATA SCHOOL FETE

Despite the rather erratic behaviour of the weather the event was a tremendous success. The result was a profit of £800, which represents a 40 per cent improvement on last year.

The money will of course be put to good use, particularly since the schools' purse-strings are being pulled ever tighter. The first will be to purchase two more sections of staging which we bought last year, and which has proved so versatile and effective. A number of useful ideas have been put forward for the remainder of the profits and we will be making a decision on that very soon.

We would like to take this opportunity of thanking all those who helped to make the event such a success. The support we received was a great boost to the event and to the profit made.

In particular we would like to thank the following organisations resident on the village who gave so generously in cash or kind. Thank you all.

DWYLE FLUNKING on Saturday, 13th June 1981

"This game has to be experienced to be believed. Those who know dwyle flunking well claim that it fills the gap between musical chairs and smashing china. The strangest fact about the sport is that it is actually played, and in a number of pubs".

The origins of dwyle flunking are lost in the mists of time (or in the 1960's if you wish to believe the less appealing explanation). The game provides an ideal opportunity for the less inhibited to dress up as honest rustics and to make fools of themselves; it also helps to dispose of stale beer; and it is to be used by us to raise some money for a worthwhile cause.

The members' club, assisted by the Cambridge and District Branch of the Campaign for Real Ale) is arranging for dwyles to be flunked outside the pub on WEDNESDAY 20th JULY, beginning at 10 noon. It is hoped that a licence extension will be granted so that the pub can STAY OPEN THROUGHOUT THE AFTERNOON.

Equipment : A cloth coated in beer (the dwyle) - a bar towel serves admirably; a bucket of stale beer; a broom handle (the swadger, available from a swadger-cooper and purchased by the tandlewainer's hard); string and other items of agricultural clothing to provide a rustic ambience; a supply of music.

Teams : Two sets of 12 persons continue for an indefinite period. The Away Team (the All Stars, for want of a more accurate term) will consist of a mixture of regulars from the Prince Albert in Ely, the Free Press and Salisbury Arms in Cambridge, and the Queen's Head in Houghton. The other team is to be made up of members of the Farmers' Guild and the Cambridge CAMRA Branch, and regulars from the White Star, Donington.

Play : The captains of each team toss for innings, and the batting side place one man centrally by the bucket of stale beer, holding the swadger with dwyle impaled. He staggers around in an anti-clockwise direction. The fielding side all join hands and dance around the batsman clockwise at a distance of about four to five metres, and the musicians start to play. When the music stops the dwyle flunker flunks his dwyle immediately towards one of the fielding team. He scores 1 run for a face, 2 for a body, and 3 for a limb. Any person hit in the face with the dwyle must drink one quart of fresh beer in 75 seconds. Each batsman flunks in rotation and the total score is tallied up. The fielding side then flunk. There are two innings (optional). The side with the highest total of runs wins.

(Quotations taken from Timothy Minchin's excellent book - 'Pub Games of England'.)

To complement the nation of the dwyle flunkers, we are also arranging a Fug-o'-War competition. The Guild is inviting a number of organisations to enter a team and to help us make a success of the venture. There will be a modest fee for all players and the proceeds will be donated to NARWORTH HOSPITAL. 'Stacy's Brass' have generously agreed to provide music free of charge.

We need all the support we can get (the elastic has perished in mine!), so PLEASE COME ALONG, AND BRING THE WHOLE FAMILY.

PRIZES FOR BOTH COMPETITIONS ARE BEING NEGOTIATED.

The Meet-a-Mum Group meets on alternate Fridays at 2.30 p.m. in the Health Centre. The dates for the next two months are :- 12th June, 27th June, 10th July, 24th July. All mums or mums-to-be are welcome to come along and join us for a chat and a cuppa, particularly newcomers to the village.

We have quite a few things on our For Sale List so if you are looking for any second hand baby equipment or good quality clothes, come along on a Friday and see what we have or, if you are looking for a particular item, give Maria a ring and she can tell you if we have any available at the moment. Also, if you have something to sell give either of us a ring and tell us what it is and how much you want for it. By the way, would people with things already on the For Sale List let us know if they sell them so we can remove them from the list!

We are still building up our list of items (equipment only, not clothing) available to borrow. If you have anything that you have finished with temporarily, but do not want to sell, and you wouldn't mind other people borrowing it, can you let us know please. Once again, anyone wanting to borrow something can ascertain if we have it on the list by phoning Maria.

We decided at our last meeting that for the summer months if we have a warm dry afternoon we will move the meeting out of the Health Centre to the area of grass behind Otter Gardens, to give the children a bit more space to run around in. However, if and when we do get suitable weather we will leave a notice in the Health Centre to say where we are, so always check there first.

Any further information on any of our activities can be obtained from me, Barbara Hastings, Crafts Hill 51333, or Maria Long, Crafts Hill 51705. Also, anyone with any problems who feels they would like a sympathetic ear is very welcome to ring either of us at any time, and chat in complete confidence.

ALLOTMENTS & GARDEN SOCIETY

(read on for details of FREE OTTER)

As is customary at this time of year I give all residents of Bar Hill advance information about the East Hopt Garden Competition. All gardens are eligible unless I am informed otherwise and, besides cash prizes, the winner holds a Rose Bowl Trophy for 1 year. Judging will be during July so please do not call the Police if a strange body appears to be peeping over the garden fence (ladies in swimsuits please note).

For members and would-be members please note that we have spare allotments for rental and by way of "encouragement" - NEARLY rented plots will be free of charge until October (1991) - 4 months of FREE digging. If you would like an allotment, contact me.

Well, with all this activity, a good opportunity to mention our shop. We have just re-stocked and can offer all garden requirements including peat, compost, fertilisers, insecticides, herbicides, canes and nets - also try us first for "Tomorites".

And, finally a plea to the great Ear Hill Public - our Society A.G.M. is due in July - details in next months 'News' (e.g. the date). However, we find that we are desperately short of Committee members. All offices (Secretary, Shop Organiser, Allotments Organiser) are eligible for re-election and we need some people (willing) to fill them.

If you are interested, then please contact me.

Many thanks also to the retiring Committee for their tremendous enthusiasm, sheer hard work and good spirit. The main theme of last years Committee was "goodwill", and we think this was successfully achieved.

The 1980 year of office was brought to a close with the AGM/ Social evening, with a hamburger and cider supper, much enjoyed by all who attended. The retiring Chairman gave a short resume of fund-raising events throughout the past year- Children's Corner at the September fete, including the very popular face-painting and Fancy Dress Competition, and the ever-popular Christmas Fayre.

Although fund-raising is not as vital as in previous years, it is nevertheless always necessary for the purchase of new

equipment - items such as the shed, electric cooker, and landscaping of the immediate area surrounding Playgroup. Unfortunately, due to severe drainage problems in that area, our sandpit was a total disaster, and we are now in the process of having a raised one built, and making good the slabbed area. The Parish Council will be carrying out a drainage programme over the whole village green area (commencing next week?) and once this is done, the work on the mound and grass areas will be finalised. Fees themselves only cover salaries, rent, rates, insurance etc., so you can see how vital fund-raising events are and we feel sure that every Playgroup family will continue to give us support.

We would also like to take this opportunity of thanking the people who have no children at Playgroup themselves, but are willing to give their time each week voluntarily to help your children. (One activity we are able to pursue because of this help is woodwork, which normally would not be possible, due to limited supervision).

We, as a Playgroup, are the largest in the Cambs. area, and are closely linked to the Social Services Dept. It is a legal requirement that we operate with a ratio of 1 adult to every 6 children, and for this reason we rely very much on the mother-helpers. (If we employed another Supervisor, fees would increase considerably). If you feel you could help in this direction, please contact one of the Supervisors, Sue Turner or a Committee member.

Finally, we will be staging a Fashion Evening on Thurs. 18th June and 8.00pm in the School Hall in conjunction with Jon Marc Hair and Fashion of the Mall, Bar Hill. Refreshments will be included in the price of the ticket. Watch out for posters and tickets! We require 3 models - one size 12, size 14 and size 16, so if anybody would like to have her hair done for free, and be one of our models for the evening, please enter your name in the appropriate 'size box' in Playgroup or Jon Marc Hairdressers and we will draw one name from each size so everyone has an equal chance. We look forward to seeing you there.

REMEMBER, IT IS YOUR PLAYGROUP (JUST THINK - WHAT WOULD YOU DO IF IT DIDN'T EXIST?) - PLEASE SUPPORT US.

Chairman

BAR HILL TOY LIBRARY

During June the Toy Library will be open on the following dates:
Friday 5th June Friday 22nd June in the Health Centre.
Please note the new opening time of 2.15pm. The reservations system is now in operation. Please see the notice in the Toy Library for details of how to use the system. Finally we are finding that containers for the toys are posing a problem in that the boxes are already becoming battered and damaged. To avoid this, we would suggest that members use boxes only to carry the toys to and from the Library and put them out of the childrens reach while in their homes. Perhaps you could find an old cardboard box or ice cream container to store the toys in while they are in your home. If you buy for your own child a similar toy to one in the Library and you do not want to keep the box

we would be very pleased if you could let us have it as a replacement for the original box. Thank-you, and we hope that you are enjoying using the Toy Library as much as we enjoy running it! Some more fundraising events are to be planned during the summer, so please look out for posters and give us your support so that we can buy more toys to add to the total of 85 that we already have!
